

## **Supervised Agricultural Experiences**

- Cattle (steers & heifers)
- Swine (barrows & gilts)
- Goats (does & wethers)
- Lambs (ewes & wethers)
- Rabbits
- Chickens (broilers)
- Ag Mechanics Projects
- Ask an FFA advisor about housing animals in the Medina Valley FFA Project Center on campus!

## **More FFA Opportunities**

- Leadership roles on Medina Valley FFA Officer Team
- Leadership retreats & conventions all over state
- Leadership & judging camps
- District, area, and state conventions
- Scholarships for active members
- Leadership, career, and speaking team competitions

**FFA is an intracurricular part of agriculture science courses. FFA membership is required to allow participation in all FFA activities and scholarship opportunities.**

In order to be an FFA member, the student must be in an agriculture science course at least one semester per year.

Membership dues are \$25 annually and must be paid by Wednesday, October 4th.

*Follow Medina Valley FFA on Facebook and on Instagram @mvffa1969!*

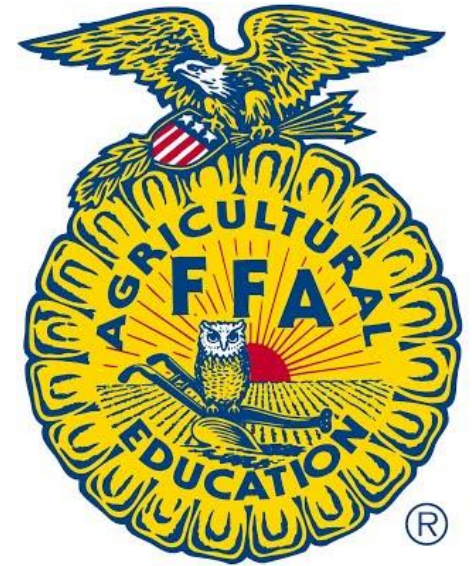

To receive updates and reminders by text message, text @mvffa3 to the phone number 81010.
