

The background is a vibrant orange and yellow gradient, suggesting a sunset or sunrise. A large, bright white full moon is the central focus. Three black bat silhouettes are flying in the sky. In the foreground, there are three glowing jack-o'-lanterns with carved faces. Behind them is a dark blue graveyard with several black crosses and a fence of black spikes. Bare, black trees are scattered throughout the scene. A black cat silhouette is perched on a tombstone on the right. A spiderweb is visible in the top right corner.
